

# Mindset Maps International Partners

## Italy

MindsetMaps Italy srl is the exclusive partner company for Italy of MindsetMaps International. It was founded in Florence, where it is based, in 2021, with the aim of adapting and spreading the MindsetMaps method, structure and tools to the peculiar Italian corporate and entrepreneurial system.

It is also the reference for the Italian community of coaches, trainers, HR managers, groups and companies who want to explore and use innovative tools for mindset management in the professional field.

**VIVILLA ZAMPINI**, Psychologist, Entrepreneur and Coach, Consultant and Trainer for over 20 years in public and private companies on the national and international scene.

**MASSIMILIANO TAVOLACCI**, Engineer, Entrepreneur, Coach, Consultant and NLP Trainer with over 25 years of experience in the management of organizational and production systems both in the public and private sectors.
