

# Mindset Maps International Partners

## Mexico

CMPNL was established in 1988 and is a pioneer in the fields of NLP and Coaching in México. They have fostered the development of professionals in the field of coaching since 2002. Their coaching programs and services are registered and approved by the International Coach Federation (ICF). They also provide coaching services directly to organizations and businesses. Their Coaching Specialty Degree and Master Degree of NLP is endorsed by Secretaría de Educación del estado de Jalisco.

Juan Francisco is a pioneer of NLP and Coaching in México. In 1988, He founded the CMPNL, Centro Mexico de Programación Neuro-Linguistica. His way of coaching is characterized by a warm, deep compassion, humor and solid systemic approach. He holds a Ph.D. in Education and has received accreditation at the MCC level by ICF, being the first Mexican to obtain it in 2012. He is the author of the book: "A map of nowhere. The evolving process of Modeling in NLP" (Editorial Mar 2013).
