

Mindset Maps International Partners

Japan

Since its establishment in 2004, NLP-Japan Learning Center has provided NLP trainings to more than 30,000 people. From an original focus on NLP training only, it has expanded the scope of its trainings to include coaching and therapy and mindset coaching.

Kenta Shiba is the president of NLP-JAPAN Learning Center. After starting his own venture as an entrepreneur, he established NLP-JAPAN Learning Center and grew it into one of the largest NLP educational institutions in Japan. Previous to that he had a distinguished corporate career and after achieving world record sales results was selected as the youngest director of the company he worked for.
